PRICE REDUCTION

New to the market this Hanse 675, the flagship of the Hanse range, provides a great opportunity to have such a boat for the winter sailing season in the Caribbean. New in April 2018 and with only a few miles under her belt this boat is ready to sail and represents a huge saving on a new boat to the same specification. This Stunningly good looking yacht is a truly modern take on comfortable fast cruising! Her superbly designed and spacious outdoor living areas on deck together with a stylish, light and airy accommodation below. This is a boat that suits so many requirements. The garage allows easy launching and recovery of the tender which is essential for this size of boat.

Please contact us for more information or to arrange a viewing.
